ADVISORY ON ACCREDITATION OF CANDIDATES AND PUBLICATION OF CAMPAIGN LITERATURE IN *THE TEAMSTER*

Accredited candidates are entitled to have campaign literature published in the October 2015 and February 2016 issues of *The Teamster*¹ and on the IBT Website. *Rules for the 2015-2016 IBT International Union Delegate and Officer Election* ("2016 Rules"), Art. VII, §§ 10 and 11. This advisory provides additional information on the process of accrediting candidates and preparing campaign material in time for publication.

Deadline and Procedures for Submitting Completed Petitions

Accredited candidates are entitled to access a membership list and to have campaign literature published in *Teamster Magazine* and on the IBT website. *2016 Rules*, Art. VII, §§ 3, 10 and 11. The Election Supervisor can accredit candidates on petitions submitted before December 15, 2015. *2016 Rules*, Art. X. § 3.

To become an accredited candidate, an otherwise eligible member must obtain signatures on petitions of at least two and a half per cent (2.5%) of the members of the relevant membership pool. *Rules*, Art. X, § 1.

The accredited candidate petition requirements, published on June 1, 2015, are as follows:

ACCREDITATION PETITION SIGNATURE REQUIREMENTS	
OFFICE	SIGNATURES NEEDED
Union Wide	30,974
Regional:	
Eastern	8,648
Southern	2,877
Central	8,875
Western	7,980
Teamsters Canada	2,594

¹ Pursuant to Art. VII, § 10(d) of the *2016 Rules*, the Election Supervisor exercises his discretion to distribute a printed package of campaign literature in Canada because there is no *Teamsters Canada* magazine.

Candidates must be accredited by the Election Supervisor on or before September 14, 2015 to have campaign material published in the October 2015 *Teamster Magazine*. The Election Supervisor's goal is to provide the maximum time to potential candidates to circulate petitions and prepare literature for printing, consistent with the publication deadline of *Teamster Magazine* and the Election Supervisor's need to analyze petitions to determine if the criteria for accreditation are satisfied.

The Election Supervisor will use the following procedure to accredit candidates to publish material in the October 2015 *Teamster Magazine*:

- Candidates must submit their petitions to the office of the Election Supervisor in Washington, D.C. on or before Monday, August 31, 2015 at 5:00 p.m. (EDT).
- Submit originals. The Election Supervisor will not accept photocopies or faxed petitions.
- All petitions for a single candidate or slate must be submitted at the same time. The Election Supervisor will not accept "rolling" submissions.
- Petitions will be reviewed in the order in which they are received. Candidates who file petitions first will be the first to receive notice of accreditation.

Inevitably ineligible persons mistakenly sign petitions, or eligible persons may sign in a way that invalidates their signatures. Candidates should obtain as many signatures as possible over the minimum required.

Submitting Materials for Publication

For accredited candidates, final copy must be submitted to the Election Office no later than 5:00 p.m. (EDT) on Monday, September 21, 2015.² The specifications for copy are attached. The 2016 *Rules* state the space limitations for candidate materials:

Each accredited or nominated candidate for the following offices shall be limited to the following number of pages of material per Magazine issue and for the campaign literature mailing described above: General President one (1) page; General Secretary-Treasurer, three-fourths (3/4) of a page; at-large or regional Vice President, one-half (1/2) of a page; Trustee, one-fourth (1/4) of a page.

Art. VII, § 10(a)(1). Candidates who are members of a slate may pool their space. Art. VII, § 10(a)(2). The order of publication of candidate material will be determined by lottery, but slate

material will be published before individual candidate material. Art. VII, § 10(b). The lottery to determine the order of presentation of candidate material will be conducted at the Election Supervisor's Office, 1050 17th Street, N.W., Suite 375, Washington, D.C., 20036, on Monday, September 21, 2015 at 5:00 p.m. (EDT). The order determined by that lottery will be used for the October 2015 *Teamster* and will rotate in subsequent publications. Candidates or their representatives may attend the lottery.

To facilitate publication, each candidate or slate must designate a single contact person for campaign literature. The person to contact at the Election Office regarding campaign literature publication is Ms. Jo Pressler.

Slate Declarations and Accredited Candidate Petitions

The *2016 Rules* provide that slate petition forms may be circulated to seek accreditation of candidates joined together as a slate. Art. VII, § 2(b). A slate petition may include all at-large candidates on the slate, but may not include regional vice-president candidates from more than one region. Each signature on a slate petition counts as a signature for each of the candidates listed on the slate. Each candidate on the slate must receive the requisite number of signatures for the office being sought (that is, at-large or regional).

Candidates on a slate petition will not be accredited, however, unless a valid slate declaration reflecting mutual assent between and among all candidates running on the slate is also submitted to the Election Office. *See Hoffa-Keegel 2011*, 2010 ESD 7 (July 17, 2010); *Ostrach*, 2005 ESD 43 (Dec. 20, 2005), *aff'd* 06 EAM 7 (Jan. 9, 2006). A slate declaration should be submitted no later than the date slate petitions are submitted with a request for accreditation. **OES will not analyze petitions to accredit candidates on a slate unless a slate declaration is also submitted. For slate petitions submitted on or before the submission deadline, if a related slate declaration is not also submitted by that date OES may not complete the accreditation analysis by the deadline to submit materials to OES for publication.** Also, in the absence of a valid slate declaration, signatures on petitions will not be counted towards the accreditation of any individual candidate named on the purported slate.

Candidates on a slate may also circulate individual petitions. The signature requirement can be achieved through the slate petition, individual petition or a combination. A member can only sign once for a particular candidate. Thus, a member's signature on both an individual petition and a slate petition will only count once for the particular candidate. *See 2016 Rules*, Art. X, § 4(a)(1)(ii). This rule only bars members from multiple signatures in support of the same slate or individuals on that slate. A member may sign petitions for different or opposing candidates, or completely distinct slates. *See 2016 Rules*, Art. X, § 4(a)(3).

Number of Slate Candidates for Vice President

A slate petition that includes vice presidential candidates may not contain more than the number of candidates for regional Vice President that are allocated to each region. There are currently three (3) regional Vice President positions from the Eastern Region, four (4) from the Central Region, two (2) from the Southern Region, three (3) from the Western Region and three (3) from Teamsters Canada. The number of regional Vice Presidents could change based on calculations the General Secretary-Treasurer will be making later this year in accordance with Article IV, § 1(b) of the IBT Constitution. Because this determination has not yet been made, the Election Supervisor will not recognize slate petitions listing more than the number of regional Vice Presidents described above in accrediting candidates to publish campaign material in the October 2015 *Teamster Magazine*.

Candidates or members with questions concerning the accreditation process should contact the Office of the Election Supervisor.
