The Local 357 requests waiver from the 2016 Rules requirement to post certain documents on bulletin boards. Posting these required notices on bulletin boards, for this Local, would be impractical and not effectively accomplish the goal of presenting the membership with critical and time-sensitive information.

For Example, the rules require a Local to post the Notice of Election within seven days after the Nomination Meeting. Although most Teamster Locals have centralized shops, Local 357 members and pilots of Republic Airways Holdings are based nationwide at 23 different bases. Additionally, the majority of crewmembers do not live in the city where they are based. They commute to their base from cities all over the United States using the empty seats available on their own aircraft. With roughly half of the members off duty and at home and the other half on duty flying both domestically and internationally, there is no reasonable way for the Union to get the required notices posted on time and for the members to conveniently access those notices.

In lieu of bulletin boards, the primary method of communication with Local 357 membership is done through the Local's website, as well as via "Blast Email" (a system whereby an email is sent to every member who has signed up for this system). Notices are routinely posted and available on the Union's web site. Local 357 is confident that the vast majority, if not all of crewmembers, will receive the required notices in a timely fashion via the above methods of communication. Local 357 is also confident that very few members would have the opportunity to view the required notices on a bulletin board. Additionally, Local 357 shall include a form in the Notice and Nomination package, to be approved by OES, that a member may complete and return if he or she prefers to have all required notices mailed to their home.

In addition, the Local 357 seeks approval for waiver of the requirement to hold a Nomination Meeting as required by the Rules. In lieu of a nomination meeting, Local 357 proposes that written nominations will be accepted by mail, email or facsimile transmission, as well as in-person at the Local's office, anytime prior to 5:00 p.m. on the day before the Local Election Committee will open the written nominations. This method was approved by the Election Supervisor in 2011 and will result in a more honest and open and inclusive election of delegates and alternate delegates. submissions.

As noted above, our membership is spread out and work requirements limit access to normal opportunities for posting mail whereas Internet access is regularly available to our members. For these reasons, we respectfully request that the waivers contained in this attachment and in the Local Union Election Plan be approved.

Respectfully,

Local #357

2015-2016 LOCAL UNION ELECTION PLAN

The Rules for the 2015-2016 IBT International Union Delegate and Officer Election ('Rules') require every local union to submit a Local Union Plan for the election of delegates and alternates to the IBT International Convention. The Local Union must use this document to submit its Election Plan. The Plan requires detailed information about how the local will perform the specific tasks and procedures that must be followed to nominate and elect IBT convention delegates and alternate delegates. Once the Local Union Plan is reviewed and approved in writing by the Election Supervisor, your local must conduct its delegate elections in the exact manner described in the approved Plan.

If you have any questions about how to complete this Local Union Plan document, you may contact your Regional Director, William Broberg, via email at wbroberg@ibtvote.org or telephone at (859) 269-5657 .

LOCAL UNION PLAN

1. Local Union Number: IBT LU 357
2. Principal Officer: Mr. James B. Clark, II
Title: President

LOCAL UNION DELEGATE AND ALTERNATE DELEGATE NOMINATIONS AND ELECTIONS

All elections must be conducted by mail ballot in accordance with the Rules. Ballots can be counted by hand or by mechanical device. Each local union has the option of either conducting its own delegate nomination and election or hiring an outside agency to conduct the election.

If a local chooses to conduct the nominations and elections on its own, it has two choices:

- A. Appoint an election committee (check local by-laws to see if this is required). Each candidate for office may designate one member of the local for service on the local union election committee, who shall be appointed by the President or Secretary-Treasurer.
- B. Permit the local executive board to conduct the election. Any local union officer or member who is running as a delegate or alternate delegate candidate may not serve on the local union election committee and should not conduct the nomination or election of delegates or alternate delegates.

3. How does your local intend to conduct the delegate and alternate delegate nomination process? Local Union Election Committee

If you chose a Local Union Election Committee, please provide a description of the composition of the committee (e.g., rank and file members, retirees, local union staff, local union officers, etc.) of the Committee. Each candidate may name a representative as a member of the Local Union Election Committee in addition to other members designated in accordance with the local by-laws. If names of committee members are available now, please list the name of each committee members (including candidate representatives).

The composition is presently 4 members of the Local 357 and our 5 full time staff members.

Doug Secord
Dan Silbaugh
Gary Czachowski
Tricia Broshear
Natalie Rodriguez
Alaina Toole
Chris White
Marc Anderson
Adam Herbert

No members of this committee will be candidates for delegate or alternate delegate.

5. Number of Delegates and Alternate Delegates to be Elected

A. Number of delegates to be elected to the International Union Convention:

2

B. The local must pay the convention expenses of all its elected delegates. A local may only propose to send less than a full complement of delegates because of financial inability but must first demonstrate actual financial inability to the General Secretary-Treasurer and then submit the request to the Election Supervisor for approval. If your local's request to send less than the full complement is approved, the candidate(s) receiving the highest number of votes in the delegate election or, in the case of uncontested elections, the candidate(s) ranked highest in the lottery shall be sent to the Convention. Is your local proposing to send less than a full complement of delegates to the Convention?

No

C. Number of alternates to be elected to International Convention:

1

D. Will your local union pay the expenses of any of its alternate delegates to attend the International Union Convention?

Yes

If Yes, for how many alternates will your local pay expenses?

1

If your local proposed to send less than a full complement of alternate delegates, the decision of which alternate delegate candidate shall be sent to the convention by the local must be based solely on which candidate receives the highest number of votes in the alternate delegate election or, in the case of uncontested elections, by lottery.

NOMINATIONS

The 2016 Rules provide that a candidate can be nominated and seconded and can accept a nomination in writing. Therefore, each local may elect to only have one nomination meeting. If your local is having a regularly scheduled officer election this fall, you may choose to conduct the delegate and alternate nomination and election this fall

The nomination period for fall delegate and alternate delegate nominations is September 1, 2015 – November 7, 2015

If you do not have a regularly scheduled local union officer election this fall, you must hold your delegate and alternate delegate nomination(s) meeting between January 4, 2016 and March 7, 2016.

There must be at least thirty (30) days between your local's last nomination meeting and the date the ballots are mailed.

6. Nomination Meeting

SEE ATTACHMENT

We are seeking waiver from the requirement to hold a nomination meeting.

The Rules require that a written nomination or second must be received by the Local Union Secretary-Treasurer no later than 5:00 PM of the day immediately prior to the day of the nomination meeting. Thus if a nomination meeting is held on a Sunday or Monday (or a day after a holiday) the union office must be open until 5:00 PM on the preceding day, i.e., Saturday, Sunday or holiday.

Deadline for submission of written nominations:

Date: 2/18/2016

Day of Week: Thursday

Location/Address: Teamsters Local #357 Union Hall, 6100 Clarks Creek Rd Suite 100 Plainfield, IN 46168

The local must use the official nomination notice form prepared by the Election Supervisor's office. You can obtain a copy of the Nomination Form (Form 7) on our web site, www.ibtvote.org, or by contacting us directly or contacting your Regional Director.

There are two ways you can mail the nomination notice to your members:

- Mail the notice in a separate, first class mailing to each member (If you are having an officer election at the same time, the nomination notices for delegates and officer may be mailed together but the notices must be on separate sheets of paper and the two notices must be on different colored paper).

- Include the notice in your local union or joint council newsletter or newspaper, which is then mailed by first class mail to each member.

If you chose option number 2, there are three rules your local must follow. The rules are:

2. The nomination notice must be clearly displayed in larger size print than the other information included in the newsletter or newspaper and the notice must be in bold print.

7. Mailing of the Nomination Notice

- A. Will your local mail the nomination notice in as separate, first class mailing to each member at his or her last known home address?

Yes

- B. Will your local mail the nomination notice by first class mail, in a local union publication, joint council publication or newsletter?

Your ballot count day must be a day that the post office is open for business and you are able to pick up the voted ballots mailed to you.

Fall Election Time Period: The election time period for fall delegate and alternate delegate elections is October 24, 2015 – December 31, 2015.

Winter/Spring Election Time Period: The election period for winter/spring delegate and alternate delegate elections is between February 27, 2016 and April 30, 2016.

PRINTING AND MAILING OF BALLOTS

The Election Supervisor's Office has copies of a Notice of Election and Mail Ballot Voting Instruction Form (Form 12) as part of a packet of forms. Your local may also obtain a copy from our website at www.ibtvote.org. Your Local must use this form for the ballot.

The local should try to arrange to have the ballots printed and mailed locally to allow candidates and their observers to easily observe the printing and mailing of the ballots. Your local may choose to contract with a union printer or mailer that is not locally situated and request the ballots be printed and mailed from a distant location, but only if you explain why a locally based printer and mailer is not available. The local may also contract to have one entity print and mail the ballots. The local may use printing or mailing shops which employ members of the Graphic Communications Conference of the IBT. The local may not enter into a contract with any printer or mailer that employs any members of the local. If your local wants to use a union printer and mailer and can only locate union shops employing members of your local, you may request a written waiver from this prohibition.

Obtaining Post Office Boxes for the Ballots

In order to conduct a mail ballot, your local must rent two post office boxes, one for the return of counted ballots and one for the return of ballots that the post office is unable to deliver because the member's address is incorrect. Your local should not rent the

two post office boxes at the same post office where the local union has a regular business post office box because the U.S. Postal Service might mix up the local's business mail with the ballots.

10. Post Office Information

Please list the address of the post office or offices where the local will rent a box for voted ballots and for ballots returned by the U.S. Postal Service as undeliverable.

Voted Ballots	Undelivered Ballots

MAIL BALLOT ADMINISTRATION

In a mail ballot election, the local has several important responsibilities in addition to counting the voted ballots.

1. First, it is very important that the local maintain correct mailing addresses for its members to insure that all members receive a ballot at their home address.
2. Second, the local must have procedures in place to insure that ballots returned by the U.S. Postal Service because of incorrect addresses are re-mailed to the members at their correct addresses as quickly as possible.
3. Third, the local must keep detailed records and have procedures in place to account for the additional printed ballots which may be mailed to members who request a ballot either because they did not receive a ballot in the original mailing process or because the ballot they did receive was lost, destroyed or spoiled. (These are called 'duplicate ballots' or 're-mail ballots'.)
4. Finally, the local must provide adequate procedures for ballot security throughout the election process. Specifically,
 1. securing the ballots between the dates they are printed and they are mailed.
 2. safeguarding the extra, blank ballots between the date of printing and the date of the ballot count.
 3. safeguarding the voted and blank ballots after the count is concluded or pending the resolution of challenged ballots.

11. Mail Ballot Administration

- A. It is essential in a mail ballot election that the Local union have and maintain an accurate mailing list containing the current home address of all members.

The Election Supervisor recommends the TITAN operator at each IBT local must update the local's mailing list before preparing address labels used to mail Nomination Notices and ballots to members.

Will your local follow the recommended procedure?

Yes

- B. What procedures will your local follow to update mailing information of members whose nomination notices or ballots are returned undelivered? The Election Supervisor recommends:

1. Frequent visits to the P.O. Box containing undeliverable ballot packages

2. Contact with the:
 1. Member Employer
 2. Appropriate Shop Steward
 3. Appropriate Health and Welfare Groups
 4. Member

Will your local follow the recommended procedure?

Yes

The Local must respond, within two business days, to each member's requests for an additional ballot. The Election Supervisor requires:

1. A detailed record be kept of all requests for additional ballots including names, address, social security number, reason for request and date mailed.
2. The local's election records should be noted that a duplicate ballot was sent so the election officials at the count will know which, if any members were sent duplicate ballots.

C. Your local must safeguard the ballots between printing and mailing. At a minimum:

1. Ballots must be secured in a tamper proof location such as a locked filing cabinet or similar container.
2. In the event a cardboard box is used it must be taped shut with signatures of observers over the tape.
3. Candidates shall not have access to the ballots.

Please identify the person or persons who will be responsible for safeguarding the ballots:

Chris White (317)644-1405 Cwhite@local357.org

The Local Union is required to access the unused blank ballots following the original mailing to members for the purposes of sending replacement ballots to members who request them and a remailing to members whose ballot packages are returned as undeliverable by the Post Office. The Election Supervisor recommends:

1. Ballots may be removed from storage only by the authorized custodian of the ballots.
2. Each day after the mailing process is completed the ballots must be restored using the same safeguards referred to above in section 11c, i.e., lock and key.

The Election Committee must insure that the ballots and all other election materials are stored for at least one year after the count. The Election Supervisor recommends that all election records, including voted ballots, unused ballots, challenged ballots, voted ballots, spoiled ballots, ballot envelopes, tally sheets and voter eligibility lists be packaged, taped and signed with signatures by the election committee and any observers wish to sign.

D. Will the local follow this procedure:

Yes

COUNTING THE BALLOTS

After the ballots are picked up from the post office, the ballots must be brought back to the count site in the mailing envelopes.

The Election Supervisor recommends:

1. The Election Committee alphabetize all the return envelopes.
2. The voters name should then be compared to the voter eligibility list.
3. If found to be eligible, the envelope should be placed in a container marked 'Eligible'. If the voters eligibility is in doubt the envelope should be marked 'C' for challenged and placed in a separate container labeled 'Challenged'.
4. Continue until all the return envelopes have been compared to the voter eligibility list.
5. Open all return envelopes in the eligible grouping and extract, but do not open, the Secret Ballot envelopes.
6. Preserving secrecy, open and extract the ballots from the Secret Ballot Envelopes.

12. Counting the Ballots

- A. Will the local follow this procedure?

Yes

- B. The Election Supervisor recommends but does not require using a mechanical device to count ballots. The Local may count ballots by hand or mechanically. Please state how your local proposes to count mail ballots

By Hand

If the Local chooses to hand-count ballots, the ballot tallies and results must be counted at least two times. The Election Supervisor recommends the following steps for organizing and counting ballots by hand. First, separate the ballots into three stacks for counting, as follows:

1. the voter chose a full slate of candidates.
2. the voter chose a partial slate of candidates.
3. the voter chose only individual candidates.

Second, after sorting, count each stack of ballots in groups of fifty (50) ballots.

- C. Please check whether your local will follow this procedure.

Yes

- D. Count the number of Return envelopes in the 'Challenged' container.

1. If counting the challenged would not affect the outcome of the election, the results may be announced and the Official Tally Sheet completed;

2. If the number of challenged ballots could affect the outcome of ANY contest, the Election Committee should immediately recess the count and contact the Election Supervisor's Regional Director without attempting to resolve challenges. The Office of the Election Supervisor is solely responsible for resolving

challenged ballots.
