Re: Amendment to IBT Local Union 957's Approved Local Union Election Plan

Dear Mr. Howard:

The Local Union Election Plan (“LUEP”) submitted by IBT Local 957 (“LU 957”) proposes to elect five (5) delegates and one (1) alternate delegate to attend the 29th IBT International Convention in Las Vegas, NV. Per Article II, Sec. 3(d) of the *2015-2016 Rules for the IBT International Union Delegate and Officer Election (“Rules”)*, which states “Local Unions electing 5-8 delegates shall elect at least two (2) alternate delegates,” this letter amends LU 957’s approved LUEP changing the number of alternate delegates to be elected by LU 957 from one (1) to two (2). The expenses of both alternate delegates will be paid by LU 957.

The proposed change is necessary to comply with the *Rules*, and the modification is approved. Attached to this letter please find a revised Local Union Election Plan Summary. This summary should be posted on all Local Union boards, replacing the previous summary.

Sincerely,

Richard W. Mark

2015-2016 LOCAL UNION ELECTION PLAN

The Rules for the 2015-2016 IBT International Union Delegate and Officer Election ('Rules') require every local union to submit a Local Union Plan for the election of delegates and alternates to the IBT International Convention. The Plan requires detailed information about how the local will perform the specific tasks and procedures that must be followed to nominate and elect IBT convention delegates and alternate delegates. If your local's request to send less than the full complement is approved, the candidate(s) receiving the highest number of votes in the delegate election or, in the case of uncontested elections, the candidate(s) ranked highest in the lottery shall be sent to the Convention. NOMINATIONS

The 2016 Rules provide that a candidate can be nominated and seconded and can accept a nomination in writing. Therefore, each local may elect to only have one nomination meeting. Nomination Form (Form 7) on our web site, www.ibtvote.org, or by contacting us directly or contacting your Regional Director.

There are two ways you can mail the nomination notice to your members:

- Mail the notice in a separate, first class mailing to each member (If you are having an officer election at the same time, the nomination notices for delegates and officer may be mailed together but the notices must be on separate sheets of paper and the two notices must be on different colored paper).
- Include the notice in your local union or joint council newsletter or newspaper, which is then mailed by first class mail to each member.

If you chose option number 2, there are three rules your local must follow. The rules are:

1. The first page of the newsletter or publication must state in large bold print: 'Important Delegate Nominations Information Contained on Page ___.'
2. The nomination notice must be clearly displayed in larger size print than the other information included in the newsletter or newspaper and the notice must be in bold print.

- A. Will your local mail the nomination notice in as separate, first class mailing to each member at his or her last known home address?

PRINTING AND MAILING OF BALLOTS

The Election Supervisor's Office has copies of a Notice of Election and Mail Ballot Voting Instruction Form (Form 12) as part of a packet of forms. Your local may also obtain a copy from our website at www.ibtvote.org. Your Local must use this form for the ballot.

The local should try to arrange to have the ballots printed and mailed locally to allow candidates and their observers to easily observe the printing and mailing of the ballots. Your local may choose to contract with a union printer or mailer that is not locally situated and request the ballots be printed and mailed from a distant location, but only if you explain why a locally based printer and mailer is not available. The local may also contract to have one entity print and mail the ballots. The local may use printing or mailing shops which employ members of the Graphic Communications Conference of the IBT. The local may not enter into a contract with any printer or mailer that employs any members of the local. If your local wants to use a union printer and mailer and can only locate union shops employing members of your local, you may request a written waiver from this prohibition.

Obtaining Post Office Boxes for the Ballots

In order to conduct a mail ballot, your local must rent two post office boxes, one for the return of counted ballots and one for the return of ballots that the post office is unable to deliver because the member's address is incorrect. Your local should not rent the two post office boxes at the same post office where the local union has a regular business post office box because the U.S. Postal Service might mix up the local's business mail with the ballots.

10. Post Office Information

Please list the address of the post office or offices where the local will rent a box for voted ballots and for ballots returned by the U.S. Postal Service as undeliverable.

Voted Ballots U.S. Post Office 1111 E. Fifth St. Dayton, Ohio 45401	Undelivered Ballots 2514 Whitney Avenue Hamden CT 06518
------------------------------------------------------------------------------	---------------------------------------------------------------

MAIL BALLOT ADMINISTRATION

In a mail ballot election, the local has several important responsibilities in addition to counting the voted ballots.

1. First, it is very important that the local maintain correct mailing addresses for its members to insure that all members receive a ballot at their home address.
2. Second, the local must have procedures in place to insure that ballots returned by the U.S. Postal Service because of incorrect addresses are re-mailed to the members at their correct addresses as quickly as possible.
3. Third, the local must keep detailed records and have procedures in place to account for the additional printed ballots which may be mailed to members who request a ballot either because they did not receive a ballot in the original mailing process or because the ballot they did receive was lost, destroyed or spoiled. (These are called 'duplicate ballots' or 're-mail ballots'.)
4. Finally, the local must provide adequate procedures for ballot security throughout the election process. Specifically,
 1. securing the ballots between the dates they are printed and they are mailed.
 2. safeguarding the extra, blank ballots between the date of printing and the date of the ballot count.
 3. safeguarding the voted and blank ballots after the count is concluded or pending the resolution of challenged ballots.

11. Mail Ballot Administration

- A. It is essential in a mail ballot election that the Local union have and maintain an accurate mailing list containing the current home address of all members.

The Election Supervisor recommends the TITAN operator at each IBT local must update the local's mailing list before preparing address labels used to mail Nomination Notices and ballots to members.

Will your local follow the recommended procedure?

No

If no, please describe the procedure your local will follow to obtain an accurate mailing list.

1. The local, and TITAN operator Belinda Draper will work to maintain an accurate mailing list, so that all members receive a ballot at their home address.
2. The local will follow a plan for obtaining new addresses and mailing new addresses that is detailed below.
3. Our contractor, Merriman River Group, will maintain a 24 hour, toll-free ballot request line. All requests must go through this line, and the local will refer all ballot requests to this line. By calling the line and leaving a message, an mp3 file is automatically created and automatically emailed as a file attachment to Patrick Donnelly, Merriman River Group's designated agent for processing requests. This audio file will be preserved as part of the election records. Donnelly will process ballot requests on a regular basis, and in all cases, no later than the second day, or first business day, after the request is received.
4. Ballots will be printed and mailed from a union print and mail shop in Naugatuck CT. While envelopes will

be printed in bulk and store at the Corso facility, ballots will be printed using a ballot on demand system on the day of the ballot mailing. As such, there will be no overnight storage of ballots required between printing and mailing. At the conclusion of the mailing process, Patrick Donnelly will take possession of extra materials. Donnelly will be responsible for handling and securing these materials. Extra ballot stock will be stored in a locked box during the period between mailing, and the close of the remail process. Any remaining ballots will be delivered to the Count Site by MRG staff in sealed and signed pouch.

B. What procedures will your local follow to update mailing information of members whose nomination notices or ballots are returned undelivered? The Election Supervisor recommends:

1. Frequent visits to the P.O. Box containing undeliverable ballot packages
2. Contact with the:
 1. Member Employer
 2. Appropriate Shop Steward
 3. Appropriate Health and Welfare Groups
 4. Member

Will your local follow the recommended procedure?

No

If no, describe the procedure your local will follow:

1. Corso Mailing will run an NCOA match prior to mailing the notices. Although the notice will still be sent to the address on file, we will have an existing file of suspected bad addresses and likely new addresses.
2. Merriman River Group will make frequent trips to collect undeliverable mail.
3. Merriman River Group will provide any Forwarding Time Expired notices included with undeliverable mail.
4. Titan Operator Belinda Draper will contact the Employer, Steward and Member, if possible, to locate new addresses.
5. As Post Office visits are observable, MRG will distribute a schedule of such trips prior to the ballot mailing.

The Local must respond, within two business days, to each member's requests for an additional ballot. The Election Supervisor requires:

1. A detailed record be kept of all requests for additional ballots including names, address, social security number, reason for request and date mailed.
2. The local's election records should be noted that a duplicate ballot was sent so the election officials at the count will know which, if any members were sent duplicate ballots.

C. Your local must safeguard the ballots between printing and mailing. At a minimum:

1. Ballots must be secured in a tamper proof location such as a locked filing cabinet or similar container.
2. In the event a cardboard box is used it must be taped shut with signatures of observers over the tape.
3. Candidates shall not have access to the ballots.

Please identify the person or persons who will be responsible for safeguarding the ballots:

Patrick Donnelly (888)450-8683 patrick@merrimanriver.com

The Local Union is required to access the unused blank ballots following the original mailing to members for the purposes of sending replacement ballots to members who request them and a remailing to members whose ballot packages are returned as undeliverable by the Post Office. The Election Supervisor recommends:

1. Ballots may be removed from storage only by the authorized custodian of the ballots.
2. Each day after the mailing process is completed the ballots must be restored using the same safeguards referred to above in section 11c, i.e., lock and key.

The Election Committee must insure that the ballots and all other election materials are stored for at least one year after the count. The Election Supervisor recommends that all election records, including voted ballots, unused ballots, challenged ballots, voted ballots, spoiled ballots, ballot envelopes, tally sheets and voter eligibility lists be packaged, taped and signed with signatures by the election committee and any observers wish to sign.

D. Will the local follow this procedure:

Yes

COUNTING THE BALLOTS

After the ballots are picked up from the post office, the ballots must be brought back to the count site in the mailing envelopes. The Election Supervisor recommends:

1. The Election Committee alphabetize all the return envelopes.
2. The voters name should then be compared to the voter eligibility list.
3. If found to be eligible, the envelope should be placed in a container marked 'Eligible'. If the voters eligibility is in doubt the envelope should be marked 'C' for challenged and placed in a separate container labeled 'Challenged'.
4. Continue until all the return envelopes have been compared to the voter eligibility list.
5. Open all return envelopes in the eligible grouping and extract, but do not open, the Secret Ballot envelopes.
6. Preserving secrecy, open and extract the ballots from the Secret Ballot Envelopes.

12. Counting the Ballots

A. Will the local follow this procedure?

No

If no, please describe how the local will determine eligibility.

We will be using pre-printed barcodes and an electronic ECR supplied by the International for eligibility testing instead of alphanumeric sorting and hand-checking. This system is identical to the procedure used by the Election Supervisor for the fall election. After the scanning is complete, and in all other ways, we will be following the Election Supervisor recommendations for Section 12.

- B. The Election Supervisor recommends but does not require using a mechanical device to count ballots. The Local may count ballots by hand or mechanically. Please state how your local proposes to count mail ballots

Mechanical Device

If the Local chooses to hand-count ballots, the ballot tallies and results must be counted at least two times. The Election Supervisor recommends the following steps for organizing and counting ballots by hand. First, separate the ballots into three stacks for counting, as follows:

1. the voter chose a full slate of candidates.
2. the voter chose a partial slate of candidates.
3. the voter chose only individual candidates.

Second, after sorting, count each stack of ballots in groups of fifty (50) ballots.

- C. Count the number of Return envelopes in the 'Challenged' container.

1. If counting the challenged would not affect the outcome of the election, the results may be announced and the Official Tally Sheet completed;
2. If the number of challenged ballots could affect the outcome of ANY contest, the Election Committee should immediately recess the count and contact the Election Supervisor's Regional Director without attempting to resolve challenges. The Office of the Election Supervisor is solely responsible for resolving challenged ballots.

ELIGIBILITY TO NOMINATE AND VOTE

Under the Rules, members of the local union who are in arrears in the payment of their dues can pay their dues arrearage in order to be eligible to participate in the election. The Election Supervisor requires that members may take part in the nomination process by paying all arrearages at any time before the regular close of business on the last business day before the nomination meeting. Also, the Election Supervisor requires that members may have their ballot counted by paying all arrearages at any time before the regular close of business on the last business day before the date of the date of the ballot count.
