A written nomination or second must be received by the Secretary-Treasurer no later than 5:00 p.m. of the day of the nomination meeting. ## 2015-2016 LOCAL UNION ELECTION PLAN

The Rules for the 2015-2016 IBT International Union Delegate and Officer Election ('Rules') require every local union to submit a Local Union Plan for the election of delegates and alternates to the IBT International Convention. The Local Union must use this document to submit its Election Plan. The Plan requires detailed information about how the local will perform the specific tasks and procedures that must be followed to nominate and elect IBT convention delegates and alternate delegates. Once the Local Union Plan is reviewed and approved in writing by the Election Supervisor, your local must conduct its delegate elections in the exact manner described in the approved Plan.

If you have any questions about how to complete this Local Union Plan document, you may contact your Regional Director, Deborah Schaaf, via email at [dschaaf@ibtvote.org](mailto:dschaaf@ibtvote.org) or telephone at (607) 227-6474 .

Fall Election - June 30, 2015

Seasonal Elections: Any local union in which ten percent (10%) or more the membership is employed by a seasonal food industry. These Local Unions will be notified by the Election Supervisor of their seasonal status.

Supervisor. The cost of planning and conducting the election will be the responsibility of the local union.

Any local may seek modification of, or exemption from, any provision of the Rules by making a written application to the Election Supervisor. A request for modification or exemption must explain the reason or need for such change and shall clearly state any alternative means that the local proposes for guaranteeing the fair and honest conduct of the nomination and election process. Modifications and exemptions will only be granted for extraordinary circumstances.

IMPORTANT NOTE: Is your local seeking a modification of, or exemption from, the Rules, that you have not previously requested and been granted?

No

Has your local union previously requested and received approval for any modifications of the Rules, or of any version of the Rules that governed delegate elections in 1991, 1996, 2001, 2006 or 2011?

All elections must be conducted by mail ballot in accordance with the Rules. Ballots can be counted by hand or by mechanical device. Each local union has the option of either conducting its own delegate nomination and election or hiring an outside agency to conduct the election.

If a local chooses to conduct the nominations and elections on its own, it has two choices:

- A. Appoint an election committee (check local by-laws to see if this is required). Each candidate for office may designate one member of the local for service on the local union election committee, who shall be appointed by the President or Secretary-Treasurer.
- B. Permit the local executive board to conduct the election. Any local union officer or member who is running as a delegate or alternate delegate candidate may not serve on the local union election committee and should not conduct the nomination or election of delegates or alternate delegates.

A. Number of delegates to be elected to the International Union Convention:

B. The local must pay the convention expenses of all its elected delegates. A local may only propose to send less than a full complement of delegates because of financial inability but must first demonstrate actual financial inability to the General Secretary-Treasurer and then submit the request to the Election Supervisor for approval. If your local's request to send less than the full complement is approved, the candidate(s) receiving the highest number of votes in the delegate election or, in the case of uncontested elections, the candidate(s) ranked highest in the lottery shall be sent to the Convention. Is your local proposing to send less than a full complement of delegates to the Convention?

Yes

If Yes, for how many alternates will your local pay expenses?

6

If your local proposed to send less than a full complement of alternate delegates, the decision of which alternate delegate candidate shall be sent to the convention by the local must be based solely on which candidate receives the highest number of votes in the alternate delegate election or, in the case of uncontested elections, by lottery.

## NOMINATIONS

The 2016 Rules provide that a candidate can be nominated and seconded and can accept a nomination in writing. Therefore, each local may elect to only have one nomination meeting. Dear Mr. Mark:

Pursuant to the recommendation of Deborah Schaaf, the Election Supervisor's Regional Director, I am submitting this email to outline pertinent information pertaining to an additional nomination meeting which Teamsters Local 948 will be conducting in connection with the IBT Local Union Delegate Election. Teamsters Local 948 submitted its Draft Local Union Delegate Election Plan through the online link on ibtvote.org. In that Plan, the Local Union identified a nomination meeting which will be conducted on Tuesday, July 21, 2015 at 7:30 PM at the Teamsters Local 948 Union Hall, 1222 "I" Street, Modesto, California, 95354. This is the date of the Local Union's regularly scheduled, periodic general membership meeting. The deadline for submission of written nominations and dues payments for this meeting is 5:00 PM on July 21, 2015 at 1222 "I" Street, Modesto, California, 95354. See Section 6A of the Local Union Plan.

The Local Union wishes to take every reasonable step to ensure that members have a free and fair opportunity to participate in the delegate election process. Given the geographical size of the Local Union's jurisdiction, the location of the plants where our members are employed and their residences, the Local Union will be conducting an additional nomination meeting. That nomination meeting will be held on Monday, July 20, 2015 at 7:30 PM at the Teamsters Local 948 Union Hall, 1933 Caldwell, Visalia, California, 93277. The deadline for submission of written nominations and dues payments for this meeting is 5:00 PM on July 20, 2015 at 31933 Caldwell, Visalia, California, 93277 or 1222 "I" Street, Modesto, California, 95352. See Section 13A and D of the Local Union Plan. It was not possible to incorporate all this information into the online Delegate Election Plan on ibtvote.org.

In addition, the official Notice of Election required by the Rules mandating posting on all Local Union bulletin boards no later than seven (7) days after the two above-referenced nomination meetings shall be on Tuesday, July 28, 2015. This is eight (8) days after the first nomination meeting, but only seven (7) days after the second and last nomination meeting. See Section 9B of the Local Union Plan.

Finally, the Local Union would like to confirm that Larry Lund, a Business Agent and member in good standing, will be conducting the delegate election nomination meeting in Modesto and Chris Zent, a Business Agent and member in good standing, will be conducting the nomination meeting in Visalia. Neither Mr. Lund or Mr. Zent will be a candidate for either delegate or alternate delegate in this election.

If there are any questions or concerns regarding our Local Union Delegate Election Plan, please do not hesitate to contact me.

Sincerely,

Adam Ochoa  
Secretary-Treasurer  
Teamsters Local 948

You can obtain a copy of the Nomination Form (Form 7) on our web site, [www.ibtvote.org](http://www.ibtvote.org), or by contacting us directly or contacting your Regional Director.

There are two ways you can mail the nomination notice to your members:

The local should try to arrange to have the ballots printed and mailed locally to allow candidates and their observers to easily observe the printing and mailing of the ballots. Your local may choose to contract with a union printer or mailer that is not locally situated and request the ballots be printed and mailed from a distant location, but only if you explain why a locally based printer and mailer is not available. The local may also contract to have one entity print and mail the ballots. The local may use printing or mailing shops which employ members of the Graphic Communications Conference of the IBT. The local may not enter into a contract with any printer or mailer that employs any members of the local. If your local wants to use a union printer and mailer and can only locate union shops employing members of your local, you may request a written waiver from this prohibition.

### Obtaining Post Office Boxes for the Ballots

In order to conduct a mail ballot, your local must rent two post office boxes, one for the return of counted ballots and one for the return of ballots that the post office is unable to deliver because the member's address is incorrect. Your local should not rent the two post office boxes at the same post office where the local union has a regular business post office box because the U.S. Postal Service might mix up the local's business mail with the ballots.

### 10. Post Office Information

Please list the address of the post office or offices where the local will rent a box for voted ballots and for ballots returned by the U.S. Postal Service as undeliverable.

## MAIL BALLOT ADMINISTRATION

In a mail ballot election, the local has several important responsibilities in addition to counting the voted ballots.

1. First, it is very important that the local maintain correct mailing addresses for its members to insure that all members receive a ballot at their home address.
2. Second, the local must have procedures in place to insure that ballots returned by the U.S. Postal Service because of incorrect addresses are re-mailed to the members at their correct addresses as quickly as possible.
3. Third, the local must keep detailed records and have procedures in place to account for the additional printed ballots which may be mailed to members who request a ballot either because they did not receive a ballot in the original mailing process or because the ballot they did receive was lost, destroyed or spoiled. (These are called 'duplicate ballots' or 're-mail ballots'.)
4. Finally, the local must provide adequate procedures for ballot security throughout the election process. Specifically,
  1. securing the ballots between the dates they are printed and they are mailed.
  2. safeguarding the extra, blank ballots between the date of printing and the date of the ballot count.
  3. safeguarding the voted and blank ballots after the count is concluded or pending the resolution of challenged ballots.

### 11. Mail Ballot Administration

- A. It is essential in a mail ballot election that the Local union have and maintain an accurate mailing list containing the current home address of all members.

## **Addendum to 948's Local Union Election Plan To Specify the Procedures the Local Will Follow To Update Mailing Information Of Members Whose Ballots Are Returned Undelivered**

11(B)

Ballots will be mailed out with a return address of the independent election agency, UniLect Election Services. If a ballot addressed to a Local Union 948 member is returned as undeliverable, the election agency will log the name and undeliverable address of each returned item on the day it is received. That log will be transmitted, the same day, to the Local Union 948 Membership Department or TITAN operator by email or fax. The local union will attempt to obtain another mailing address for the member through the means recommended by OES. If another address is obtained, the Local Union 948 TITAN operator will promptly supply it to the election agency, which will remail the ballot package to the member via first class mail.

If the local union receives a request for a duplicate ballot from one of its members, it will log the name and address of the requesting member on the day it is received. That logged information will be promptly provided to the election agency, which will mail a duplicate ballot package to the member via first class mail.

Copies of the 'returned as undeliverable' log, the 'duplicate ballot log' and a list of remailed ballot packages and mailed duplicate ballot packages will be maintained for inspection by Catherine Burkhart at UniLect Election Services.

Will your local follow the recommended procedure?

Yes

The Local must respond, within two business days, to each member's requests for an additional ballot. The Election Supervisor requires:

1. A detailed record be kept of all requests for additional ballots including names, address, social security number, reason for request and date mailed.
2. The local's election records should be noted that a duplicate ballot was sent so the election officials at the count will know which, if any members were sent duplicate ballots.

C. Your local must safeguard the ballots between printing and mailing. At a minimum:

1. Ballots must be secured in a tamper proof location such as a locked filing cabinet or similar container.
2. In the event a cardboard box is used it must be taped shut with signatures of observers over the tape.
3. Candidates shall not have access to the ballots.

Please identify the person or persons who will be responsible for safeguarding the ballots:

UniLect Election Services (925)833-8660 [cburkhart@unilect.com](mailto:cburkhart@unilect.com)

The Local Union is required to access the unused blank ballots following the original mailing to members for the purposes of sending replacement ballots to members who request them and a remailing to members whose ballot packages are returned as undeliverable by the Post Office. The Election Supervisor recommends:

1. Ballots may be removed from storage only by the authorized custodian of the ballots.
2. Each day after the mailing process is completed the ballots must be restored using the same safeguards referred to above in section 11c, i.e., lock and key.

The Election Committee must insure that the ballots and all other election materials are stored for at least one year after the count. The Election Supervisor recommends that all election records, including voted ballots, unused ballots, challenged ballots, voted ballots, spoiled ballots, ballot envelopes, tally sheets and voter eligibility lists be packaged, taped and signed with signatures by the election committee and any observers wish to sign.

D. Will the local follow this procedure:

Yes

## COUNTING THE BALLOTS

After the ballots are picked up from the post office, the ballots must be brought back to the count site in the mailing envelopes.

The Election Supervisor recommends:

1. The Election Committee alphabetize all the return envelopes.
2. The voters name should then be compared to the voter eligibility list.
3. If found to be eligible, the envelope should be placed in a container marked 'Eligible'. If the voters eligibility is in doubt the envelope should be marked 'C' for challenged and placed in a separate container labeled 'Challenged'.
4. Continue until all the return envelopes have been compared to the voter eligibility list.
5. Open all return envelopes in the eligible grouping and extract, but do not open, the Secret Ballot envelopes.
6. Preserving secrecy, open and extract the ballots from the Secret Ballot Envelopes.

12. Counting the Ballots

- A. Will the local follow this procedure?

Yes

- B. The Election Supervisor recommends but does not require using a mechanical device to count ballots. The Local may count ballots by hand or mechanically. Please state how your local proposes to count mail ballots

Mechanical Device

If the Local chooses to hand-count ballots, the ballot tallies and results must be counted at least two times. The Election Supervisor recommends the following steps for organizing and counting ballots by hand. First, separate the ballots into three stacks for counting, as follows:

1. the voter chose a full slate of candidates.
2. the voter chose a partial slate of candidates.
3. the voter chose only individual candidates.

Second, after sorting, count each stack of ballots in groups of fifty (50) ballots.

- C. Please check whether your local will follow this procedure.

Yes

- D. Count the number of Return envelopes in the 'Challenged' container.

1. If counting the challenged would not affect the outcome of the election, the results may be announced and the Official Tally Sheet completed;

2. If the number of challenged ballots could affect the outcome of ANY contest, the Election Committee should immediately recess the count and contact the Election Supervisor's Regional Director without attempting to resolve challenges. The Office of the Election Supervisor is solely responsible for resolving challenged ballots.
